In lieu of our annual Employment Law Seminar, Mirick O'Connell's Labor, Employment and Employee Benefits attorneys are hosting a Spring Webinar Series focusing on hot topics in employment law.

Attorney Kim Rozak and I presented the second program in the series last week. We covered the American Rescue Plan Act of 2021 and the anticipated Massachusetts COVID-19 Emergency Paid Leave.

In case you missed the program, or if you would like to watch it again, we are pleased to share the [webinar recording](#).
