Mirick announces that Attorney Margaret E. Asante has joined the Firm as an Associate in the Business Group, based in the Worcester office.

“Every founder has had to step outside of their comfort zone and focus their energies on a vision that only once existed in their dreams to create a business that can provide for themselves and their families,” said Asante. “In that respect, I feel honored to be included in the creation and protection of their enterprises.”

Margaret counsels clients on all types of business transactions, with focus on commercial lending and mergers and acquisitions. She has experience with general corporate governance, debt and equity finance, corporate M&A, as well as contract drafting, negotiation, and interpretation. A Worcester, Massachusetts native, she has counseled both lenders and borrowers on the financing, construction, and delivery of greenfield and brownfield projects across the energy and infrastructure sectors throughout Europe, Africa, the Middle East, and Asia.

“We are pleased to welcome Margaret to Mirick,” said Mirick Partner and Business Practice Group Chair Jeffrey E. Swaim. “Her vast experience will be a valuable asset to our clients, as will her passion for supporting clients’ goals.”

Prior to joining Mirick, Margaret was an Associate Legal Counsel at CityFibre in London, and previously worked as an associate in Allen & Overy LLP’s London office.
