Develop with Mirick: A Year in Review

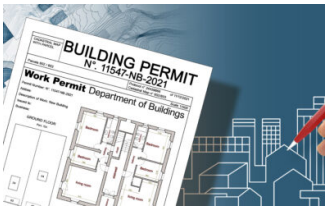

January 29, 2026 | In The News

In 2025, Mirick's permitting team was proud to help our clients, large and small, with approvals for several local projects. Congratulations and thank you to our clients and the cities of Marlborough and Worcester for another great year!

2025 Permitting Projects:

UMass Memorial Medical Center, Marlborough Campus
Special Permit for Emergency Department Expansion and Proton Beam Cancer Therapy Unit
Attorney: Brian Falk
