

Diane Power named to WBJ 2025 Power 100: The Most Influential Professionals in Central Massachusetts

May 19, 2025 | In The News

Mirick's Chief Operating Officer, Diane Power, has been named to the Worcester Business Journal's 2025 Power 100: The Most Influential Professionals in Central Massachusetts. The Power 100 edition is an annual report on how power is shared and expended in Central Massachusetts each year, as told through the 100 people who are most effectively wielding their influence, with a special focus on those creating change and bringing new ideas to the forefront.
