Edward Bassett discusses freight broker liability with FreightWaves Today host

July 2, 2026 | In The News

Attorney Edward Bassett joined host Craig Fuller on the *FreightWaves Today* tv show this week to discuss the recent Supreme Court Ruling, Montgomery vs. Caribe, which exposes brokers to liability for selecting unsafe or unqualified carriers. In the ruling, the Supreme Court ruled unanimously (9-0) that federal law does not shield freight brokers from state-law negligent-hiring lawsuits. A highly experienced personal injury attorney, Ted shared his thoughts on the broader impact of the ruling.
