October 1, 2025 | Christine M. Boutin, Ashley P. Coffey | In The News

Are you a homeowner? Have you had questions such as the following: What is a Declaration of Homestead and how do I obtain one? How do I change my deed? What is the legal process involved with selling my home? Is there an easy way to transfer my home to my family after I am gone? Attorneys Christine Boutin and Ashley Coffey will hold an in-person seminar on **October 14th at 11:30 am at the Hudson Senior Center** to answer these common questions and more.

Attendees are encouraged to email questions they may have in advance to Ellen Ganley at eganley@mirickllaw. Contact the senior center directly to reserve your spot.
