

Industry

Manufacturing

At Mirick, we help private and publicly traded manufacturers address legal issues quickly and efficiently so they can focus on their core business. Clients appreciate our straight-forward and pragmatic advice, and that as a full-service law firm, our attorneys collaborate across practice disciplines to provide comprehensive legal representation. Our mission is always to learn about your unique business culture and goals to serve both as your long-term strategic partner and immediate problem solver.

Below is a sampling of the types of services we provide to manufacturers:

## Business

- Equity financing
- Corporate formation and reorganization
- Mergers and acquisitions
- Sale of business assets or stock
- Workout
- Issues unique to family-owned businesses
- Outside General Counsel

## Real Estate

- Leasing agreements
- Permitting
