

Mirick expands annual volunteer initiative, with 93% of employees taking part in community service

July 16, 2026 | In The News

We are proud of our [Mirick Gives Back](#) volunteer initiative and appreciate [The Worcester Guardian](#) for highlighting the program in a recent article. This year we supported ten nonprofit organizations across Central Massachusetts, MetroWest, and Greater Boston through volunteer projects, donation drives, and charitable giving. We are grateful for our team who so wholly embrace the firm's commitment to community and demonstrate that commitment by sharing their time, talents, and treasure.

As noted by Attorney Paul Foley, chair of the firm's Charitable, Civic, Bar Committee, "Community involvement has long been part of Mirick's culture, and the strong participation in Mirick Gives Back demonstrates how deeply that commitment is shared across the firm. Whether they are sorting donations, staffing a food pantry or organizing a school supply drive, our team members consistently make time to support the communities where they live and work."
