June 4, 2024 | In The News

Mirick O'Connell has officially kicked off our Summer Associate and Summer Intern Programs. We are pleased to welcome Afnaan Syed, Faye Desmond, Christina James, and John Fogarty.

We are also thrilled to welcome back Madison Sandusky for a third summer with us!

Madison, Afnaan, Faye, and John are joining the firm's Legal Administrative Assistant Team, helping to provide administrative assistance in areas throughout the firm where needed.

As a Summer Associate, Christina will work with as many attorneys at the firm as possible; she will have the opportunity to observe in the courtroom, at the closing table, and at client meetings. She will also attend social and networking events in order to become better acquainted with our attorneys and with life at Mirick O'Connell.
