

Peter Hamilton named to NECC President's Council

May 15, 2026 | In The News

Congratulations to Attorney Peter J. Hamilton who has been named to the President's Council for The New England Center for Children. With a mission to empower those with autism through comprehensive care, education and research, NECC serves both day and residential students with autism at its Southborough campus, while maintaining a global presence through its sister-school, The Mohammad bin Rashid Center for Special Education in Abu Dhabi. Congratulations, P.J.!
