Business Law

2025 WINNER

We understand what it takes to operate a business. After all, our law firm has successfully adapted to the same ever-changing business climates you have. Our attorneys have helped businesses navigate shifting economic upswings and recessions, changing regulations, and address day-to-day business challenges for more than a century. At Mirick, we treat your business as if it were our own. Your success as our success.

Your Best Interests

Running a business inherently has risks. At Mirick, we start by gaining an understanding of your business goals and apply our industry insight to help you assess risks, address challenges, and capitalize on opportunities. Clients appreciate our no-nonsense approach and practical advice.

Move Forward

Our clients come in all shapes and sizes, and from a diverse range of industries. Privately held and publicly traded corporations, limited liability companies, partnerships, limited partnerships, sole proprietorships, and joint ventures turn to Mirick attorneys for all their business legal needs. From planning and initial formation to the sale, merger, or acquisition of

your business, we have the breadth of experience and business sense to help your business reach its objectives.

Whether a start-up or a well-established company, Mirick business attorneys make sure you have the proper documentation in place, and meticulously review and craft contracts and other legal documents to help you avoid litigation.

New companies

- Stockholder agreements
- Buy/Sell agreements
- Operating agreements
- Partnership agreements

Established companies

- Licensing and development agreements
- Distribution, reseller, and supply agreements
- Non-disclosure agreements
- Employee benefits and stock incentive plans

In addition, we oftentimes serve as General Counsel or Special Counsel for our business clients.

Grow with Us

Many of our business clients have entrusted Mirick as their strategic partner for decades. We have also seen first, second and third-generation family-held businesses continue to prosper as a result of the effective generational transfers we put into place for them.
