

## Service

## Family Law and Divorce

## Start here. Move forward.

Divorce and family disputes are some of the most difficult times in your life. They are often contentious. It is important that you work with the right counsel who fights hard for your interests while providing the consideration and sensitivity you need to help you focus on your future.

In this dynamic world of divorce, paternity and custody disputes, clients rely on Mirick's Family Law Team for their exceptional reputation, knowledge, and experience in all aspects of family law. Our clients experience attentive, dependable, and cutting-edge legal representation. Our Team has decades of experience in courts throughout Massachusetts.

## We are Here for You

You deserve and should rightly expect prompt attention from your legal team. To facilitate this, we maintain responsive standards to ensure our clients maximum accessibility and prompt attention to their questions and concerns.

Whether you are looking for representation with a simple uncontested divorce, custody dispute or complex property litigation, Mirick attorneys will provide discreet representation backed by an experienced team.

## Personal Services

Our clients range from CEOs, politicians, members of the judiciary and bar, physicians, executives, and entrepreneurs to homemakers and hourly wage earners. We represent husbands, wives, parents, grandparents, and same-sex couples. While there are common themes, we recognize each
