1. Execute a prenuptial agreement before you remarry.
2. Alimony obligations to a prior spouse will continue.
3. Stepparents do not have legal custodial rights.
4. Having another child does not reduce existing child support obligations.
5. Your new spouse's income is not factored into support calculations.
6. Update your estate plan.
7. Remarriage can impact your former spouse's health insurance.
