

Gary O. Shurland

Chief Information Officer

📞 Direct: 508.860.1499

✉️ gshurland@miricklaw.com

Overview

The determination, strategic mindset, and tenacity instilled in Gary while serving in the U.S. Army for seven years translates to his role as Mirick's Chief Information Officer. The firm entrusts Gary with the crucial responsibility of overseeing the firm's entire Information Technology department.

As the CIO, Gary ensures the company's technology systems are secure, reliable, and up to date to meet Mirick's needs while leading technology initiatives, making certain that they align with business objectives.
