

Kristine M. Canepa

Of Counsel

Direct: 508.860.1516

kcanepa@miricklaw.com

Overview

When health care professionals and institutions are faced with medical malpractice claims, responsive, and effective legal representation is paramount. With years of experience as a skilled litigator in this realm, Kris understands these claims are oftentimes high-exposure and complex in nature and is able to provide discreet representation, while vigorously defending her clients.

Experience

- Kris routinely and successfully defends health care professionals both in and out of the courtroom, as well as before respective boards.
