Overview

Clients appreciate the personal attention, support, and responsive service that Maureen provides. As a paralegal in the Trusts and Estates Team, she works closely with attorneys to assist clients with their qualification and application for MassHealth/Medicaid services (long-term care/Skilled Nursing Facility).

The MassHealth/Medicaid spenddown and application process can be overwhelming and emotional for clients and family members. Maureen has been assisting clients navigate the MassHealth/Medicaid application and recertification process for nearly 30 years.

She has a very calm demeanor which provides comfort during a difficult and stressful time. Having been through this process with her own family, Maureen is able to empathize with the families who are navigating this process.
