Overview

Nancy's attention to detail and process improvement mindset contributes to the firm's bottom line. She is a go-to resource for members of the Business Leadership Team for budget preparation and analysis.

As Mirick's Controller, Nancy has overall responsibility for client trust accounting, accounts payable, payroll accounting, monthly financial reporting, coordinating the annual budget and overseeing banking relationships. When she joined the firm in 2009, Nancy held the position of Collections Coordinator, before being promoted to Accounting Manager, and then to Controller.

Prior to joining Mirick, Nancy worked as a Commercial Lender for 17 years with Comerica Bank in the metro Detroit area.
