Overview

Todd leads a team of dedicated attorneys who offer clients personal attention and responsive service, no matter the size of the project. Clients appreciate the hands-on, collaborative representation they receive from the Real Estate and Environmental Law Team.

Todd's approach is to first gain a full understanding of the client's objectives, in order to staff each matter with the right team of experienced attorneys, with a focus on cost-efficiency. While always having his client's best interest at heart, Todd provides straight-forward advice that is easily digestible for his clients, so they can develop strategies together that work best to meet those objectives.

Buyers, sellers, landlords, and tenants hire Todd for all types of real estate transactions, including site acquisition and leasing for office, manufacturing, retail, industrial, laboratory, biomedical, and R&D spaces.

Todd also assists business owners in obtaining the permits and approvals required to operate their business. In this regard, he has significant experience representing clients before municipal boards and commissions and working with state regulatory agencies in Massachusetts.

Todd is also a LEED Accredited Professional.
