Andrew T. Lechner

Associate

Direct: 508.768.0731
alechner@mironklaw.com

Overview

Andrew joined Mirick in 2024 as an associate specializing in real estate and environmental litigation. He primarily represents individuals, businesses, real estate developers, and municipalities in cases involving environmental contamination and enforcement, as well as real estate and zoning disputes. Andrew also assists his clients with local and state land use permitting matters.

Prior to joining Mirick, Andrew was an associate at Johnson & Borenstein in Andover, MA, where he represented individuals, businesses and real estate developers in local and state land use permitting and appeals.
