Below is a listing for my upcoming elder law legal clinic. Contact your local Council on Aging for more information and to register.

If you miss a program, you may always watch them on your local cable access station or on my YouTube channel, "[Elder Law with Frank and Mary](#)."

Married Couples: Update on Estate Planning Strategies: When was the last time you reviewed your estate plan? As we age, our needs may change. The law may also change. It is good practice to review, and update if need be, your estate plan every five or ten years, especially if your health, living, marital, or financial situations have changed. I will provide an elder law update so you can decide whether or not your existing plan addresses your current situation and goals.
