

Using Trusts in Your Estate Plan

What is a trust? Individuals often ask to incorporate a trust into their estate plan, but do not know what it is or why they are asking for it. In practice, there are many types of trusts, all of which can be drafted to accomplish different objectives based on individual goals. Attorney Elizabeth Newton will present *Using Trusts in Your Estate Plan* at the **Marlborough Senior Center on Tuesday, October 14** at 10 a.m. Her presentation will help define what a trust is, identify different types of trusts, and discuss roles involved in administering a trust.

She will be making the same presentation at the **Rutland Senior Center on Wednesday, October 15th** and at the **Holden Senior Center on Monday, November 10th**. Contact the senior centers directly to reserve your seat.
